Who will benefit from Education Tax Credits?

YOUR CHILDREN

When was the last time the Government gave YOU money back?

Education Tax Credits would put \$500 per child back in your pocket.

Middle and lower income families are already stretched thin meeting rising everyday expenses. Too often, out-of-pocket education spending produces significant financial hardship for families. Education Tax Credits will help.

Whether you send your child to public or private school, Education Tax Credits will help your family. If you spend on your child's after-school programs, tutoring, tuition, summer school programs or special needs services, call your State Senator today to support Education Tax Credits.

Remember, every dollar goes directly to you, empowering you to provide the best education for your child's future.
